IEEE Biometrics Council Transactions on Biometrics Behavior and Identity Science Best Paper Award 2024 Nomination Form

Nominations are invited for the "**IEEE Biometrics Council Transactions on Biometrics Behavior and Identity Science Best Paper Award**" to recognize a highly influential and impacting article published at IEEE Transactions on Biometrics Behavior and Identity Science (T-BIOM) during the calendar years 2022 and 2023. This award is administered by the **IEEE Biometrics Council Award Committee**, which is responsible for reviewing and recommending candidates to the IEEE Biometrics Council Executive Committee. This award will be presented at IJCB 2024.

The award can be given to a single high-impact paper published in IEEE T-BIOM in the calendar years 2022 and 2023. Papers (co-)authored by the current members of the IEEE Biometrics Council Awards Committee are ineligible. The date of publication in a T-BIOM volume is the date of publication for a paper and early access dates are not considered.

Any current member of the T-BIOM editorial board and past member within the last three years can submit (by email to at biometrics.council.awards@gmail.com) a nomination to the Award Committee. **Self-nominations are not permitted**.

Please e-mail the nominations to biometrics.council.awards@gmail.com by **March 1, 2024.**
